NANODESU  
Line 3

The central graphic features the word "NANODESU" in a large, outlined, sans-serif font. Above and below the letters are several glowing yellow circles of varying sizes, connected by thin lines, resembling a molecular or atomic structure. Below "NANODESU", the words "Line 3" are written in a cursive, script font. The entire graphic is set against a dark, circular background that is semi-transparent, revealing the background image of a cloudy sky with a bright sun or moon.

*Coming in November*
